

CHT-08, the 4<sup>th</sup> ICHMT International Symposium on Advances in Computational Heat Transfer, took place in Marrakech, Morocco during 11-16 May, 2008.

The Symposium was jointly sponsored by ICHMT, the CFD Research Laboratory of the University of New South Wales, Australia and the LEEVAM Research Laboratory of the University of Cergy-Pontoise, France, and was a tribute to Professor D. Brian Spalding FRS in honour of his 85th birthday and in recognition of his innumerable contributions to computational fluid dynamics and heat transfer.

The programme consisted of 245 poster presentations and 11 keynote lectures (Spalding, Fueyo, Jaluria, Launder, Joon Sik Lee, Mallinson, Nakayama, Patankar, Pollard, Rodi and Runchal). There were 280 attendees.
